# INNOVATIVE S-SERIES SCOOTERS

---

All over Europe, thousands of people have made their lives easier with a Sterling mobility scooter by Sunrise Medical.

For over 30 years, Sterling have designed and built mobility scooters to the highest standards, giving the comfort and safety every customer needs.

From the shopping centre to the country, the new luxury S-Series by Sterling are ready for any journey.

Packed full of brilliant features with superb driving dynamics, sharp looks from every angle, there's an S-Series mobility scooter to suit everyone.

**Experience luxury in motion with the Sterling S-Series scooters.**

# ADVANCED LED LIGHTING

---

Powerful all-around directional LED lighting, approved for road use. With lifetime performance, changing bulbs is a thing of the past.

See and be seen in style with the Sterling S-Series.

# INNOVATION IN DESIGN

---

With advanced LED lighting technology, the S-Series scooters are 400 times more energy efficient than standard bulbs, meaning more battery power and range on every trip.

---

Safety as standard, S-Series models all feature high visibility rear LED indicators, position and brake lights.

→ Safety as standard  
Strong front and rear bumpers on all S-Series models.

→ Innovative active anti-tip wheels  
Move up as you ride over obstacles and keep you safe on slopes.

# S425

## COMPACT OUTDOOR SCOOTER

---

The luxury S425 crams in all of the features of its little brother, but with added power!

Taking the bright, front/rear LED lights, comfortable all-round suspension, super footspace and combining it with a maximum speed of 8mph, the S425 is suitable for road use as well as on pavements.

The increased wheel height will help to tackle those outdoor obstacles, and longer journeys can be handled with ease as the larger 55Ah batteries help to power your way.

Maximum speed: 8mph

Colour: Carbon Metallic

Batteries: 55Ah

Wheel size: 30cm / 12"

Maximum user weight:  
150kg / 23st 8½lbs

# LUXURY SEATING

---

The multi-adjustable luxury seating is designed to make every journey a comfortable one.

# COMFORT ON EVERY TRIP

---

The S-SERIES advanced seating solution takes comfort to the highest level, from the seat height, depth and recline adjustments, to the flip-up, width, angle and depth adjustable comfort armrests – every feature has been designed for comfort – for you.

→ Infinite seat depth adjustment

→ Quick backrest angle adjustment

→ Seat rotation enables comfortable transfers
